

HAMPSHIRE JUNIOR SQUASH LEAGUES  
2009-2010

This season 21 teams played in the three divisions and there were 5 teams playing in the mini squash league. The teams were representative of 10 squash clubs in Hampshire.

Division 1 and 2 were combined so that there were 7 teams in each division which enabled triangular squash matches to take place whenever there was a fixture.

It was good to see that the majority of matches were played – it is always difficult with junior matches due to various reasons – including conflict with football, rugby matches. Confidence of the juniors can be very variable – especially when teams lose.

Winners of Division 1&2	Wykeham 1
Winners of Division 3	Wykeham 3
Winners of Division 4	Fair Oak 3
Winners of Division 5	Wykeham Mini Squash team.

It has not been possible to arrange a trophy presentation ceremony – finding a convenient date has proved difficult.

Currently in the absence of any new volunteer I have agreed to try running the Leagues for the forthcoming season.
