

County Squash

There have been quite a few ups and downs this season. Player availability seems to be affecting all counties. We are keen for more players to come into the frame for County teams - if players are interested they need to make themselves known and available for the weekends!

- Very few women / ladies will commit to the weekend!
- Not many men for the O35 and O45 numbers are dwindling.
- More main entrants for the A, B and C grades. Could do with some more 'fun event' players.

County Closed

The County Closed plays a large part in County team selection. The County Closed is on the (1st if needed), 2nd and 3rd of October, at Trojans. Next year 2011-12 is Lee's centenary and the event will almost certainly be held there.

Please can the women / ladies support this event (and others)!!!

WE WOULD LOVE TO HEAR FROM ANY POTENTIAL SPONSORS! LIKewise FOR THE LEE EVENT IN THE 2011/2012 SEASON.

County teams

1st team lost both weekends so go down to Division 2.

O35 were initially weaker but won both weekends so go up to Division 1.

O45 won promotion weekend so back into Division 1.

O55 won Div 1b promotion to Premier!!!

NO WOMEN'S TEAM!!! Very few will commit to the County Closed or Inter-county weekends! WE WOULD LOVE TO GET THE WOMEN'S TEAM UP AND RUNNING AGAIN!!!
