Team: Emily Hume, Justine Alexander, Lydia Hume, Harriet Walker

Unfortunately this year the match dates clashed with half term which meant we travelled down to Exeter with only 4 strings to play Devon, Gloucester and Dorset. Holiday commitments and injuries meant we were without Emily Heyes or Amy Stenner, and Issey Norman-Ross is now playing for the U-19 Girls which drastically weakened our squad. Overall we managed a credible third place which was no disgrace, and for our second round matches with hopefully a full team means we might deliver a win in the 'best of the rest' category.

Team: Katherine Jenson, Lydia Hume, Alisha Bhanot, Jordan Russell, Carmen Alexander

We travelled to Maidstone in Kent to do battle with Surrey, Sussex and Kent with a relatively strong Team, albeit 3 out of the 5 strings were U-13 players!! The Girls were a credit to Hampshire and with Jensen and Hume at 1st and 2nd strings respectively there was only Surrey that posed any real threat. Overall we came second with 41 points which means we will go through to the stage II matches after Christmas.
